

CUBA

Stool

Designed by Furnid

Description

Cuba is a functional stool inspired by Cuban lifestyle and culture, and whose wooden details are the result of highly advanced Scandinavian manufacturing techniques. The stool comes in three different heights – and in oiled oak, black lacquered oak or beech. The seat can be upholstered from a large choice of genuine leathers or textiles.

Care instructions

To clean, simply wipe with a soft cloth using hot water and a mild detergent. The frame is treated with natural oil. Secondary treatment with oil counteracts drying of the wood and regular application is recommended.
