— INSTALLATION INSTRUCTION —

CHANGING LIGHT SOURCES - MONROE CEILING

1. Loosen decor **A**₁ and then loosen decor **A**₂ to slide back cap **B** gently. Pay attention to the glass globe.
2. Slide up cap **C**. In an angled position carefully rotate the glass globe to slide it down. Change light sources and replace glass globe while sliding caps **B** og **C** back in position followed by the decors **A**₁ and **A**₂. Tighten decor **A**₁ first and then tighten decor **A**₂.
