

ARV CHAIR

STUDIO DAVID THULSTRUP

2018

 BRDR. KRÜGER

Studio David Thulstrup designed a series of furniture pieces for the new home of noma restaurant in Copenhagen and we created ARV collection to complement the spirit of the space.

The conceptual design feature is a 'branch' formation that organically connects the different parts - like branches growing from a tree trunk. Solid and weaved back seats are available. The leathers are from [Sørensen Leather](#) and the fabrics are from [Kvadrat](#)
