

FCHAIR - WITHOUT ARMREST

RAMUS B. Fex

2017

 BRDR. KRÜGER

The F chair is a contemporary shaker chair based on the virtues of traditional craft. It carries on the folksy simplicity and honesty of the archetypical shaker chair, but with a modern comfort and a clean-cut, geometrical and minimalistic appearance. The characteristic seat weaving pattern, is a fusion of American and Danish traditions, taken forward with colorful polyester bands, and complementary monochrome wood treatments.
