

Myko with Armrests

DESIGNED WITH STEFAN BORSELIUS

Myko is one of those quiet classics. Instantly recognisable sitting taut and resolute, it's a brilliant balance of form and function. Designed by Stefan Borselius, Fogia asked the designer to extend the range to include armrest and swivel base versions. Myko as a range was always intended to be expanded so the new models fit with the range beautifully.

MATERIAL

Molded seat, legs in metal or wood.
Can be upholstered in leather, fabric or combination of the two. Metal legs in standard RAL colours.
