

BY LASSEN

by lassen owns the rights to the designs of two of Denmark's greatest architects: Mogens Lassen and Flemming Lassen. The Lassen brothers were innovators in architectural modernism and produced numerous iconic designs throughout their lives. Our simple mission is to build upon the tradition of Mogens and Flemming Lassen to ensure that exceptional original and rediscovered designs continue to live on through new generations.

COPENHAGEN

KUBUS

With a sharp sense of contemporary Functionalist style, Mogens Lassen designed the iconic Kubus candleholder in 1962, a piece once reserved solely for family and close architect colleagues. The Kubus is still crafted in Denmark, and among architects and design connoisseurs it has achieved the status of a modern international design icon.
