by lassen owns the rights to the designs of two of Denmark's greatest architects: Mogens Lassen and Flemming Lassen. The Lassen brothers were innovators in architectural modernism and produced numerous iconic designs throughout their lives. Our simple mission is to build upon the tradition of Mogens and Flemming Lassen to ensure that exceptional original and rediscovered designs continue to live on through new generations.

COPENHAGEN

LINE
~

Mogens Lassen designed throughout his entire life, and he could never stop working on pieces he had already completed. In 1983 he reapproached his geometric candleholders, and the result was Line, whose shape was conceived through a mathematical formula. The two candleholders form a single line, and the architectural look fits perfectly with contemporary minimalism.
