

LEAN

Lounge chair

Designed by GamFratesi

Description

Traditional craftsmanship applied to a modern design: an upholstered shell in a basic and minimalistic shape leans on a solid oak supporting structure – that can be stained or left natural. The luxurious leather cushion is sophisticatedly tailored with a delicate stitched motive.

#### Care instructions

---

To clean, simply wipe with a soft cloth using hot water and a mild detergent. The frame is treated with natural oil. Secondary treatment with oil counteracts drying of the wood and regular application is recommended.
