

# THE MANTLE CHAIR™

TABLE / LIGHTING / SOFA / DAYBED / SEATING / RUG

The HANDVÄRK Lounge Series features the contrast between materials. The hard steel meets the luxurious aniline leather or satin-feel velvet in a beautiful object that can easily stand alone.

## DESCRIPTION

The slim powder-coated steel in balanced dimensions offer a light-weight silhouette while padded leather or velvet cushions complete the exquisite minimalistic design. Materials of the highest quality guarantees the most pleasant touch and a piece that will last a lifetime.

Produced by hand from the steel welding to the leather upholstery. All in Denmark.

## PLACEMENT

Indoors

## MATERIALS

Upholstery: Aniline leather  
Frame: Black powder coated steel

## SPECIFIC INFO

Lead time 5 - 6 weeks

## ABOUT THE DESIGNER

Aesthetic sustainability is key to all of our products. In an effort to create furniture that will last a lifetime, we have taken no shortcuts. We work with genuine marble, brass and aniline leather – materials that will only become more beautiful over time. These materials are worked with care and dedication to embody the simplicity and applicability of our design. Design that above all stays true to the Nordic DNA that imbues HANDVÄRK.

## TREATMENT

We only use aniline leather. Aniline leather is dyed exclusively with soluble dyes without covering the surface with a topcoat paint or insoluble pigments. The result is a product that retains the leather's natural surface with the 'grain'-fully showing the original structure.

- Our leather has a thin protective top coat to protect it from wear and staining.
- For daily cleaning, use a clean, dry cloth.
- Vacuum the Daybed regularly, giving attention to the crevices of the Daybed.
- We recommend treating the leather 1-2 times a year with a high-quality leather conditioner.
